PROPOSER STATEMENT

Under the terms of the LI Charter in order for a member to be eligible for election to Academic Fellowship, the nominated Member must show that 'they have had responsibility for important work relevant to the field.'

The Landscape Institute's Fellowship Admissions Board requires evidence for the nominated Member meeting the following criteria:

1. Experience and performance in teaching or research, which should have been substantial and of outstanding quality;
2. Contribution to the Institute and/or to the understanding of the landscape, through advancing theory, philosophy, pedagogy or standards, external examinerships, participation in subject review or academic peer review; again, this should have been substantial.
3. Personal qualities and integrity, particularly qualities which are outstanding.

As a proposer, you are asked to provide a confidential statement to the LI with regards to your knowledge of their professional experience and personal integrity in relation to criteria 3 and at least one of criteria 1 and 2. This statement should be no more than **two pages of A4**.

It is therefore important that you know the nominated Member sufficiently well to be in a position to make a full and frank statement.

Within your statement, please comment on how long and in what capacity you have known the nominated Member and make a full and positive statement with regards to the criteria explained above. *It would be particularly helpful to the Fellowship Admissions Board if you would bring out the applicant's personal qualities and achievements as fully as possible.*

PLEASE FORWARD THIS APPLICATION TO THE NOMINATED MEMBER TO COMPLETE THE APPLICATION FORM AND RETURN TO THE LI.
