

LANDSCAPE INSTITUTE EAST MIDLANDS INVITES YOU TO AN END OF SUMMER EVENT

As part of the LI's 90th birthday we are celebrating important local community projects.

The Canalside Heritage Centre Trust transformed old dilapidated workers cottages into today's Heritage Centre and gardens with the help of a local Landscape Architect, Stewart Craven. Join us, hear from Stewart himself, explore these establishing gardens and learn more about the heritage of our waterways!

CANALSIDE HERITAGE CENTRE
BEESTON, NOTTINGHAM (NG9 1LZ)

6.30_{pm} FRIDAY 6TH SEPTEMBER 2019

FREE TO ATTEND
