1. SURVEY QUESTIONS.

Before completing the survey please review the Background Paper [here](#).

We suggest you keep the Background Paper open or print it off so that you can refer to the Competency Framework and detailed competency definitions when answering the questions. The survey should take you no more than 20 minutes to complete.

Please complete this survey by midnight on the 31st May 2020.

You can complete the survey anonymously but there is an option to enter your contact details if you would like to be kept updated about the project and/or would be interested in being involved in a consultation workshop. Your personal details and other information will only be used for the purposes of the survey and will not be disclosed to any third parties.
