Applicant Name:

Applicant Membership Number (Must be CMLI):

## Assessment Criteria

Under the terms of the LI Regulations (2.2.2), every candidate for admission or transfer into the grade of Fellow must have had “practical experience of, and responsibility for important work in Landscape Practice”.

**The Landscape Institute’s Fellowship Admissions Board requires evidence that the applicant meets the following criteria:**

- 1. Varied, substantial and outstanding quality professional experience and performance.**
- 2. Contribution to the profession as a whole, e.g. by inspiring the next generation of landscape professionals, through publications or public speaking, by contributing to technical guidance.**
- 3. Personal qualities and integrity, particularly qualities which are outstanding.**

As a guidance to applicants, the Fellowship Admissions Board normally expect applicants to have a minimum of 5 years post CMLI experience to achieve the calibre expected for recommendation for Fellowship. However, applications from members with less than 5 years post chartership experience who feel they meet the assessment criteria outlined above are still welcome to apply for potential consideration by the Fellowship Admissions Board. Please also note that any application is not an automatic award to Fellowship, but an application for consideration.
